This is money awarded to MDA through a cooperative agreement with USDA, for middle-of-the-supply-chain equipment and infrastructure. Missouri was awarded \$8,140,211 for the Resilient Food Systems Infrastructure Program (RFSI) beginning May 25, 2024 and going through May 24, 2027. This is federal money therefore we are only requesting spending authority to expend the funds to Missouri producers and processors. The application process was complete March of 2024, we have applicants scored and are ready to award the full amount as soon as the remaining authority is approved. In FY25, we were granted \$2,035,053 in spending authority which limited us to awarding out only \$1,971,886 to the industry. We will keep the legislature up-to-date as these funds are expended.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service.												
This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

DEPARTMENT OF AGRICULTURE
Section 6.015 – Veterinary Student Loan Program

Page 32

Description: This section provides funding for the Veterinary Student Loan Program. SB 320 (2007) requires the Department of Agriculture to develop, implement, and administer the large animal veterinary student loan program. Section 340.390 states that up to six qualified applicant per academic year may be awarded loans of up to \$80,000 per applicant. Upon graduation, participants are forgiven \$20,000 of their loan for each year of service in a designated area of need.

Legal Basis: Sections 340.375 – 340.405, RSMo.

Funding Source: Veterinary Student Loan Payment Fund (1803)

DEPARTMENT OF AGRICULTURE
Section 6.020 – Agriculture Business Development

Page 37

Description: Known as the Market Development Division until reorganization in FY 2004, this section provides funding for the Domestic Marketing and International Marketing Programs and for the Agricultural Innovation Center. The Domestic Marketing program supplies the most current information on agricultural products, market prices, trends and standards to the agricultural industry and assists all agricultural commodity organizations and producers in promoting and marketing their products. The International Marketing Program offers services such as export business counseling, trade lead acquisition and dissemination, technical assistance to agricultural exporters, market research and market surveys, sales team promotions, annual publication of the Export Directory, and operation of the Missouri Promotion Offices in Taiwan and Mexico. The Innovation Center works with producers to add value to commodity products and was created in FY 2001.

Legal Basis: Sections 261.030, 261.035, 261.095, 261.230, 261.235, 261.239, 348.410 & 348.438, RSMo.

Funding Source: General Revenue (1101), Federal Fund (1133), Ag Business Development Fund (1683), AgriMissouri Fund (1897), & Ag Protection Fund (1970)

This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

DEPARTMENT OF AGRICULTURE

Section 6.020 cont. – Abattoir

Page 46

Description: This section provides funding to facilitate the development and implementation of a harvest and processing plant to serve as an industry model for education, training, technical support and research in meat animal discovery, production and information transfer. The facility would be located on the University of Missouri-Columbia campus and would serve as a center to accommodate research and development, along with providing the educational and technical support demands of undergraduate and graduate students, processors and regulatory agencies within state of Missouri.

DEPARTMENT OF AGRICULTURE

Section 6.035 – Agriculture and Small Business Development Authority

Page 69

Description: The Missouri Agricultural and Small Business Authority was established in 1986 to promote the development of agriculture and small business and to reduce, control, and prevent environmental damage. The authority is governed by a seven-member board of commissioners, appointed by the Governor and confirmed by the Senate. The Director of Agriculture serves as an ex-officio member. The authority appoints an executive director, but staff is housed under the Agriculture Business Development Division. Programs offered through the authority include: Beginning Farmer Loan Program, Animal Waste Treatment System Loan Program, Single-Purpose Animal Facilities Loan Guarantee Program, Missouri Value-Added Loan Guarantee Program, Missouri Value-Added Grant Program, and the Contributor and New Generation Cooperative Incentive Tax Credit Programs pursuant to HB 888 (1999).

Legal Basis: Sections 135.679, 135.686, 348.070, 348.080, 348.220, 348.403, 348.06, 348.407, 348.430, 348.432, & 348.500, RSMo

Funding Source: Single-Purpose Animal Facilities Loan Program Fund (1408), Ag Product Utilization Grant Fund (1413), and Livestock Feed & Crop Input Loan Program Fund (1978)

DEPARTMENT OF AGRICULTURE

Sections 6.040 – 6.065 Agriculture and Small Business Development Authority – Loan Guarantees

Pages 78-106

Description: The Single Purpose Animal Facilities Loan Guarantee Program, created in 1994, provides a 50% loan guarantee to Missouri's independent livestock producers. The first loan guarantees were issued in January, 1996 and to-date 2 loans have defaulted. The Agricultural Products Utilization and Business Development Loan Guarantee Program, created in 1997, provide a 25% loan guarantee to Missouri's value-added producers. The first loan guarantees were issued in April 1999 and to-date 4 loans have defaulted. The Livestock Feed and Crop Input Loan Guarantee Program is designed to provide a 50% first loss guarantee on loans up to \$100,000, made for livestock feed or crop inputs used to produce livestock feed.

Legal Basis: Sections 348.080, 348.185, 348.190, 348.195, 348.200, 348.205, 348.210, 348.225, 348.403, 348.406, 348.408, 348.409, & 348.515 RSMo.

Funding Source: General Revenue (1101), Single-Purpose Animal Facilities Loan Guarantee Fund (1409), Ag Products Utilization & Business Development Loan Guarantee Fund (1411), and Livestock Feed & Crop Input Loan Guarantee Fund (1914)

DEPARTMENT OF AGRICULTURE
Section 6.070 – Ag Development Program

Page 111

Description: The Agriculture Development Fund Program offers financial assistance when needed to Missouri farm families through six major programs: Missouri Alternative Loan Program, Crop and Livestock Loan Guarantee Program, Farm Mechanics Loan Program, Agriculture Scholarship Program, Building Our American Communities Grant Program (BOAC), and the Missouri Agribusiness Academy (MAbA). The program utilizes the federal funds derived from the old Rural Rehabilitation Assets acquired from the federal government in 1957 and places an emphasis on preparing a new generation of Missouri youth for careers in rural Missouri and agribusiness.

Legal Basis: Sections 261.026, 261.027, & 348.070, RSMo

Section 6.075 – Dairy Industry Revitalization Act

Page 116

Description: This section provides the spending authority to implement the Dairy Revitalization Act (HB 250) that was passed in 2015. The Act will sustain and grow Missouri dairy producers, processors, and related industries. This Act will provide a margin insurance reimbursement to eligible dairy producers that participate in the USDA's Margin Protection Program for Dairy.

Legal Basis: Sections 261.280 & 261.285, RSMo.

The Missouri Department of Agriculture, Meat and Poultry Inspection Program (MDA MPIP) partners with USDA Food Safety Inspection Service (FSIS) under Cooperative Agreement Number 12-37-A-470. In accordance with 21 U.S.C. 661(a)(3)(ii), which states, ". . . The amount to be contributed to any State by the Secretary under this section from Federal funds for any year shall not exceed 50 per centum of the estimated total cost of the cooperative program; and the Federal funds shall be allocated among the States desiring to cooperate on an equitable basis. . . ." Prior to Federal Fiscal Year (FFY) 2022, USDA FSIS allocated MDA MPIP with 50% reimbursement of eligible expenses. In FFY 2022, USDA FSIS provided MDA MPIP with only 43% reimbursement of eligible expenses. In FFY 2023, MDA MPIP was \$261,000 over budget, despite cutting costs. These costs included discontinuing MiFi device usage and carcass swab sample collection for Salmonella sp. surveillance. Cutting these costs from our budget saved MDA MPIP \$24,043 per year. Therefore, the supplemental funding MDA MPIP received from the State did help offset these costs. September 2024, MDA MPIP will submit a new budget call to USDA FSIS, based on expected program expenditures. MDA MPIP will not know how much USDA FSIS will allocate based on this request until January 2025. Over the last four years, grant money has been made available incentivizing meat and poultry processors to apply and operate under state or federal inspection. As a result, MDA MPIP has dramatically increased the number of inspected facilities. In 2019, MDA MPIP provided inspection service to 29 meat and/or poultry processors. Now, in 2024, MDA MPIP provides inspection service to 51 meat and/or poultry processors. In order for MDA MPIP to meet this demand for state inspection to new and existing establishments, MDA MPIP will need additional funding from the State of Missouri.

The Missouri Department of Agriculture's Meat and Poultry Inspection Program (MDA's MPIP) is requesting additional GR to replace and maintain fleet vehicles. In FY21, MDA's MPIP expanded by 10 FTEs due to CARES funding that was being awarded to new meat processing facilities. The 10 FTEs were provided vehicles that were also purchased through the CARES funding. Although the funding was provided to originally purchase the vehicles, there will now be a need to replace the vehicles as they are nearing the replacement mileage level. The cost for fuel and maintenance of the fleet has also risen over the years and we need additional funding to cover those costs.

With increased demands on staff in preparation and response to animal disease events, MDA-Animal Health is requesting an additional staff member to assist in these areas. This individual will work with program staff and management to assist in areas and programs identified that will help protect the state's diverse livestock and poultry industries. These duties may include, but not be limited to, emergency response to a foreign animal disease such as highly pathogenic avian influenza (HPAI), outreach to various industries groups, work with producers in the development of bio-security plans, track and maintain response equipment, assist in testing livestock and poultry for diseases, database entry and other duties as assigned by management. Animal Health has a limited number of staff available to handle all the responsibilities that fall under its purview. Adding a team member will help to ensure we are able to assist producers with important biosecurity improvements and the development and of emergency response plans. Also, MDA's response equipment could be more adequately maintained with this additional funding. Currently these tasks are not completed regularly. Sometimes maintenance needs are realized when the equipment is needed for an emergency response, and it's not operational. Finally, when we are responding to disease outbreaks, a trained responder is greatly needed.

	FY24 Budget Amount	FY24 Budget FTE	FY24 Actual Amount	FY24 Actual FTE	FY25 Budget Amount	FY25 Budget FTE	FY26 Department Request	FY26 Department Request FTE	FY26 Governor Recommended as Amended	FY26 Governor Recommended as Amended FTE	FY26 House Recommended	FY26 House Recommended FTE
The Missouri Department of Agriculture's Meat and Poultry Inspection Program (MDA's MPIP) is requesting four (4) full time employees (FTE) in order to meet the demand of current and foreseen inspection duties throughout the State of Missouri. MDA's MPIP Inspection Team ensures meat and poultry products are produced in a safe, wholesome, and accurately labeled manner. They are responsible for meat and poultry product safety before these products leave State inspected facilities, which are then made available to Missouri consumers. This program plays a vital role in providing inspection services to rural and urban areas alike, wherever the need arises. Over the past five (5) years, the number of official establishments under our state inspection jurisdiction has increased dramatically (189% increase). Furthermore, Missouri participates in the Cooperative Interstate Shipment (CIS) Program, which is a program that is the same as (United States Department of Agriculture (USDA) inspection. Missouri's meat and poultry processors have increased their interest in participating in CIS, so our service demand has increased due to access to a larger consumer base beyond the borders of Missouri. Lastly, our team conducts routine reviews at custom exempt operators, approximately one hundred fifty (150) registered with our program. It is MDA's MPIP's goal to provide outreach to establishment owners and operators. This allows the processors to learn how to remain in compliance with the ever-changing policies and procedures that may be issued by USDA. The response to the outreach MDA's MPIP has provided has been resounding across the state. The extent to which outreach may be provided is somewhat limited by time constraints and staffing. Currently, the program employs sixteen (16) inspectors, three (3) regional inspector supervisors, and one (1) relief inspector to make up the Inspection Team. Currently there are six (6) establishments who have submitted applications for inspection and has had requests from nine (9) current establishments needing to increase inspection coverage. Since January 2020, the Inspection Team has been struggling to keep up with the ever-increasing demand of inspection duties due to the increased interest in producing and selling locally sourced meat and poultry products for Missouri consumers and as a result, other work duties have fallen behind. MDA's MPIP has been able to manage inspectors' time by scheduling coverage in these busy circuits, however, even with this and having a full-time relief inspector, inspectors are still accruing comp time. An addition of four (4) members to this team is desperately needed to ensure safe, wholesome, and properly labeled meat and poultry products are sold and consumed by Missourians and their families. In addition to inspection services, MDA's MPIP also monitors meat and poultry products in-commerce. The Compliance Team ensures meat and poultry products in commerce are safe, wholesome, and accurately labeled. They are responsible for meat and poultry product safety after these products have left State or USDA inspected facilities, which are then handled, distributed, and offered for sale to Missouri consumers. We currently employ five (5) compliance team members. These five (5) team members are supervised by the Program Director. We would like to offer a promotion to one of these five (5) members to take on the additional responsibility of supervising four (4) Compliance Investigators. To do this, we are requesting the addition of \$3,000.00 to the budget in order to offer this much needed promotion.

MDA Animal Health request additional federal authority associated with the addition of two annual federal agreements for Chronic Wasting Disease (CWD) and the US Swine Health Improvement Plan (US SHIP), bringing the current total number of MDA agreements to twelve. The addition of the two new annual agreements, extending three agreements (CWD 1, CWD 2, & the National Animal Health Laboratory Network (NAHLN) 23), and a delay in spending of the NAHLN ARP (American Recovery Plan) one-time agreement for \$1M will cause Animal Health to need more federal E&E authority in FY 26 and beyond.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

Section 6.085 – Indemnity Payments

Page 155

Description: This section provides funding to control and eradicate animal diseases by removal and depopulation of disease-infected or toxin exposed animals. Rapid detection, containment, and elimination of disease-infected animals is the surest method to guard against further spread of disease as well as depopulation of animals with toxins above acceptable levels to enter the food supply safely. This program also helps to minimize economic losses to producers whose livestock have been destroyed.

DEPARTMENT OF AGRICULTURE
Section 6.090 cont. – Grain Inspection Services

Page 172

Description: This section provides funding for official grain and rice inspection and weighing services to all applicants requesting such services within Missouri. It also provides official aflatoxin testing of rice under the authority of the U.S. Agricultural Marketing Act and the USDA. The program is funded through fees charged to the grain industry for services performed. Services are delivered through three regional inspection offices and grain sampling laboratories located in Marshall, New Madrid, and St. Joseph.

Legal Basis: Section 411.030, RSMo.

Funding Source: Grain Inspection Fee Fund (1647)

Increased cost of labor/supplies and declining export markets, which generate much of the Grain Inspection Services(GIS) revenue, the program is experiencing lower revenue then expenditures. GIS is requesting general revenue funding to supplement the cost of providing various services to Missouri farmers including providing grain grades and various toxin testing. In addition to providing these services to Missouri's grain industry, the program provides them to Missouri farmers as well. With increased weather variability, Missouri farmers have been exposed to a growing frequency of toxins found in grain at harvest. These toxins can restrict the uses for the grain thereby restricting market choices and grain values. This has made grain quality functions of crop insurance policies of increased value and importance to farmers. More testing is being requested by farmers to ensure they are eligible for grain quality payments from their crop insurance provider. The Federal Risk Management Agency requires that this testing be provided by an official grain inspection agency such as the Missouri Grain Inspection Services program to be eligible for quality payments. Along with providing toxin testing, the Missouri Grain Inspection Services Program can provide grain grades for the farmer's transaction with commercial grain facilities when requested prior to the unloading of the grain. This funding will help moderate increased service fees to Missouri's farmers and Missouri's commercial grain industry.

DEPARTMENT OF AGRICULTURE
Section 6.095 – Commodity Merchandising Program

Page 182

Description: This section provides funding for the direct and indirect administrative support of eight (8) agricultural commodity councils: Soybean, Apple, Turkey, Peach, Beef, Corn, Sheep & Wool, and Rice. The Commodity Council Merchandising Program is required by statute to serve as the direct collection and distribution agent for three commodity councils: Aquaculture, Apple, and Wine. The other Commodity Councils may, as authorized in 275.350 RSMo (SB 945 – 1998), contract with the Department of Agriculture to administer the collection and disbursement of commodity council funds.

Legal Basis: Sections 265.180, 275.454, 275.466, & 275.650, RSMo.

Funding Source: Aquaculture Marketing Development Fund (1573), Apple Merchandising Fund (1615), and MO Wine Marketing & Research Development Fund (1855)

DEPARTMENT OF AGRICULTURE
Section 6.100 – Division of Plant Industries

Page 187

Description: This section consists of four (4) bureaus, which together administer 12 separate state laws and cooperate in the administration of four federal laws. These regulatory laws facilitate agricultural production and marketing and provide food safety, consumer and environmental protection for Missouri citizens by regulating animal feeds and planting seeds, providing necessary certification for interstate and international shipment of agricultural plant and forest corps, eradication, prevention and spread of harmful plant pests, establishing grades and standards for fresh fruits and vegetables, ensuring the safe use and handling of pesticides and administering standards for quality and distribution of treated wood products.

Legal Basis: Sections 192.945, 195.207, 261.265, 263.010 – 263.180, 264.011 – 264.101, 266.011 – 266.111, 266.152 – 266.220, 280.005 – 280.140, 281.005 – 281.115, & 281.210 – 281.310, RSMo.

DEPARTMENT OF AGRICULTURE
Section 6.100 cont. – Invasive Pest Control

Page 194

Description: This section provides funding for all costs associated with the tracking and prevention of the Gypsy Moth and Thousand Cankers Disease in Missouri. This program provides annual gypsy moth surveys, treatment of limited gypsy moth infestations, and educational materials on the gypsy moth. The program works closely with the Department of Conservation and several federal agencies on the Gypsy Moth Advisory Council and the Gypsy Moth Steering Committee. This Gypsy Moth program was established in Agriculture’s FY 1995 budget and the Thousand Cankers Disease Program was established in FY 2013.

Legal Basis: Sections 263.010 – 263.180, RSMo.

Funding Source: Federal Fund (1133) and Ag Protection Fund (1970)

Section 6.105 – Division of Weights, Measures, and Consumer Protection

Page 210

Description: This section is responsible for ensuring the accuracy of all commercial weighing and measuring devices in the state, and to protect the interests of buyers and sellers when exchanging goods or services. The Device & Commodity Inspection Program is responsible for monitoring all commercial transactions where goods are weighted, counted, or measured to insure equity in the marketplace (e.g. consumers do not pay for packaging weight). The Fuel Quality Program insures consumers that petroleum fuels and products meet quality standards. The Metrology Laboratory provides calibration of measurement standards used by the Weights & Measures Division as well as private industry and businesses. The Moisture Inspection Program is responsible for the registration of commercial grain moisture-measuring devices as well as inspection and certification of the devices associated with equipment such as scales, thermometers, and charts. The Petroleum Device & Safety Inspection Program is responsible for consumer protection through the safety inspection of fuel storage/dispensing systems and the inspection and testing of dispensing devices for accuracy. The Propane/Anhydrous Ammonia Inspection Program is also responsible for safety and consumer protection regarding propane.

Legal Basis: Sections 196.311 – 196.391, 413.005 – 413.229, 414.012 – 414.152, 416.410 – 416.560, and Chapters 323 & 414, RSMo.

Funding is needed to replace four (4) trucks used by inspectors in the Fuel Device Safety and Accuracy Program. Each of the existing trucks have over 120,000 miles. If inspection staff do not have reliable transportation, the program will be unable to meet its statutory mandate. This mandate includes checking all retail motor fuel devices for accuracy and performing safety inspections bi-annually at service stations, bulk plants, marinas and terminals. Twenty-two (22) Consumer Protections Technicians conduct approximately 150,000 device inspections annually throughout the State of Missouri. Chapter 414 RSMo requires all service stations, bulk plants, marinas and terminals to be safe from fire and explosion and that all Retail Motor Fuel Devices be tested bi-annually to ensure marketplace integrity and consumer protection.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

Section 6.130 – State Milk Board Administration

Page 255

Description: The primary purpose and goal of the Milk Inspection Program is to protect the consumer of dairy products from harmful effects of bacteriological or chemical contaminants in milk or milk products by eliminating harmful organisms or substances entering the milk supply. The program is designed to certify sources, test milk, and promote methods of producing, handling, processing, and distributing milk and products that assure wholesomeness and safety. The program is implemented on grade A markets primarily by contracting with local health departments for inspection services.

Legal Basis: Sections 196.931 – 196.953, RSMo.

Funding Source: General Revenue (1101), State Milk Inspection Fee Fund (1645), and State Contracted Manufacturing Dairy Plant Inspection and Grading Fee Fund (1661)

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.
